

THE ALMANACK

MAKING LIFE PEACHY

WINTER AT THE ALMANACK

Winter is a wonderful time to eat hearty and comforting food. Our beef is British, grass-fed and dry-aged for unmatched flavour. All our chicken, eggs and pork are free-range, our lamb is Cornish and most of our native fish is landed from coastal day-boats. We always serve the good stuff – cooked from scratch by real chefs – because that's what we want to eat ourselves.
